

OFAIIs REQUIRED to support the TransMountain Expansion project.

Preference will be given to Yale First Nation members, and People of Indigenous Ancestry.

Local to Hope BC and Merritt BC

Are you a BC OFAII?

Are you looking for competitive wages and extensive on-the-job training?

Are you looking for an employer that values work-life balance?

Let's talk.

Must have relevant tickets, must be willing to work in a team environment. TDG and WHIMS will be provided in-house.

You'll get:

- all electronic equipment required on site – cell phone, laptop, air card,
- COVID-19 protocols in place which meet CCOHS and BC Health Services Requirements,
- drive time, drive time overtime, and overtime pay, as per Employment Standards,
- a company that works around your schedule and supports your work-life balance,
- pay based on your experience level, with an evaluation after 90 days, and pay increases based on your proven abilities and commitment to health and safety,
- in-house courses and training programs,
- 24-hour support and extensive training from a dedicated management team,
- journey management.

No calls. Please direct enquiries and applications to email only.

Octane Safety, raising the level of care.
