Notice: March 2nd Enbridge Meeting Postponed

Good day Yale First Nation Members,

We regret to inform you that our scheduled Enbridge meeting for March 2nd will need to be postponed until further notice out of respect for the Peters family, who are experiencing a bereavement.

We extend our deepest sympathies to them during this difficult time. We will await further information and guidance regarding the rescheduling of the meeting.

Our receptionist will be reaching out to individuals who were scheduled to utilize the Vancouver shuttle bus and YFN community bus, to provide necessary updates regarding the rescheduling of arrangements.

Thank you for your understanding and cooperation in this matter.

Sincerely Yale First Nation.
